IMPACT: Local

Summary of Legislation: This bill provides that one time each calendar year, an association whose membership is primarily comprised of elected officials or political subdivisions may use, free of charge, a facility that is owned, operated, or maintained by a Capital Improvement Board of Managers.

Effective Date: July 1, 2001.

Explanation of State Expenditures:

Explanation of State Revenues:

Explanation of Local Expenditures:

Explanation of Local Revenues: Currently, the statute allows a county Capital Improvement Board to lease property that is owned, operated, or maintained by the Board. By allowing an association as described above to use a facility of the Board's for a day at no charge, the Board would forgo revenue that could have been gained by leasing the facility for that day.
